FOR IMMEDIATE RELEASE

Rochester Company Leads Fight Against Bioterrorism

Rochester, N.Y. (May 3, 2002) – Logical Images, a Rochester based company, will be a featured sponsor and participant at the Convergence 2002 conference hosted by the University of Rochester on May 10th. The conference theme is "Facing the Threat of Bioterrorism" and aims to bring biomedical research together with scientific entrepreneurship, and industrial innovation to create compelling medical applications to fight bioterrorism.
